Part 1, Basics Summary

90% solved generally

57.8 score in Kattis End of first part

4 times presented Kattis Pb in front of the class: Piece of Cakes, Goldbach's Conjecture(Weekly 17.10); Older Brother(Weekly 25.10); Boiling Vegetables (Weekly 10.11)

Part 2, Application Summary_ Make 'n' Break_

I have worked mainly on the logic of the game. I designed and coded the mechanics of the game, how would the player interact and play the game in general and worked on some graphics of the game.

Furthermore, I oversaw the whole project – delicate tasks for everyone.

I did 33% of the work.

Number of feedback talks: 3 (25/01/2024, 01/02/2024 and 06/02/2024)
